

HEALTHY SCHOOLS. RESILIENT LEARNERS.

Exciting Opportunities Await!

Developers are creating new apps daily!

Tools for Healthy Schools

TECedge works with educational organizations to identify digital tools that meet the unique needs of each learner. These tools augment your approach for building resilient learners and healthy school environments. We ensure that these apps work with existing or planned devices.

Holistic Approach

TECedge provides practical tools, protocols, and training for identifying and preemptively addressing behavioral health concerns within the school community.

Your Digital Toolbox for:

- Social Emotional Learning
- Positive Behavior Support
- Career and Life Skills
- Credit Recovery
- Attention, Focus, and Memory
- Organizing Thoughts and Activities

Let TECedge help you fill your digital toolbox!
